Re: **Battleground State Surveys Show Harris can Defeat Trump**
July 21, 2024

Between July 17-20, Clean and Prosperous America PAC commissioned four surveys of registered voters in Arizona, Michigan, North Carolina, and Pennsylvania. Full methodology is listed at the end of this memo; full toplines and crosstabs are attached in alphabetical order by state.

Key Poll Findings:

1. <u>Democratic candidates for Senate or Governor lead all four states outside the survey's margin of error</u>. In AZ, Gallego leads Lake 49-42%. In PA, Casey leads McCormick 50-39%. In MI, Slotkin leads Rogers 46-38%. In North Carolina, where there is an open race for Governor, Stein leads Robinson 48-42%.

2. <u>Former President Trump holds a lead over President Biden and Vice President Harris in all four states</u>. Although Trump's net favorability ratings are less negative than Biden's, Trump remains stuck in the mid 40s in the opening multi-candidate ballot tests.

3. However, after positive and negative messages, **a Presidential ticket led by Kamala Harris with the state's Governor is locked in a close race**: Up 2 in MI, tied in PA, and down two in NC, all within the margin of error. The ticket of Harris + the Governor improves over Biden's margin by 3 points in MI, 4 points in NC, and 4 points in PA.

4. In Arizona, Trump has a consistent 5-7 point lead in all the Presidential ballot tests, except against Mark Kelly who trails by 2.
